**CAUSE**

Ms. Frehner is scheduled to commence her second term of supervision with Probation on November 5, 2018. As part of the pre-supervision planning process, it was discovered that Ms. Frehner does not have a viable release address and has requested to extend her stay at the halfway house in order to assist her in getting on her feet during this transition period. Having just been transferred from custody to the halfway house, Frehner does not currently have employment and therefore does not have the funds to secure a residence of her own. It is respectfully requested that the Court consider the modification listed above to provide her the support necessary to give her the best possible chance of success. The probation form 49 has been attached for your review.

Respectfully submitted,

Jessica Racaza
